Alcoholic Beverages

State-owned beverages corporation to oversee regulated sale of alcohol in Manipur

The Manipur Cabinet on December 15 approved the establishment of the Manipur State Beverages Corporation Limited (MSBCL), signalling a significant shift in the State's alcohol policy. The creation of the corporation paves the way for legalising the production, sale, and consumption of alcohol in specific regions of Manipur, marking the end of more than 30 years of prohibition in the State. FMCG

FSSAI asks FMCG companies to back up their claims on food packaging

The Food Safety and Standards Authority of India (FSSAI) has issued a set of amendments to advertising and claims on food products, called the Food Safety and Standards (Advertising and Claims) Second Amendment Regulations of 2022. The new regulations mandate companies to make clearer disclosures on food packets, holding them responsible for advertisements and claims on labels. [Click here to read more](#)
